Rev & Very Dear Sir

~~A summary of~~ The first

Three congregational church of this city ~~will~~ held a special meeting the last evening and without any serious opposition elected you their Pastor and were nearly unanimous in their choice. You are aware of our peculiar situation - and the eyes of the church have seemed to have been closed until very recently we became alarmed at seeing breakers under our lee. A good branch pilot can only save the ship - & Brother Rodgers and myself are commissioned to communicate the vote to you and are to leave tomorrow in the Worcester cars at 6 o'clock A.M. -

But now we have a severe snow storm and know not but our journey may be protracted in consequence therefore send this by Mail thinking it may reach you before we can. May God bless and guide you in this very important decision is the prayer of your Affectionate Friend
